Chapter 1 by PigletPinkPancake

The boat was finally here.
Just beyond the horizon I could see it.
I would finally be able to leave this city.
Go somewhere better.
Where nobody would know who I was.
A new start.

Chapter 2 by Isabella Burba

I am finally free of the cold Boston air
I am going to the city that started it all'
The city of...

I can start over
I can even change my name
or dye my hair
but the only thing I know is that I can start over
